IEEE Electrical/Software Meeting

SPARC
Student Projects & Research Committee

Time and Location

12:30pm - 2pm on October 2, 2018

SPARC Lab, Broun 367

Moderator

Josh Jablonowski

Agenda

Last Meeting Follow-up

- Progress Reports
    - Arena Build
    - OpenCV
    - ROS Feasibility
    - Auxillary Battery
- Thoughts on completion for last weeks goals
- Mechanical Progress?

New Business

1. LIDAR work
    a. ROS or sample program
    b. Getting data in C++
2. New Voltage Regulator
    a. Pololu
3. OpenCV - help Matthew with Distance sensing?

Actionable Items (What are we going to do)

1. Noah, Rebecca - Completing the arena
2. William - Installing ROS
3. Josh - Admin
4. Matthew - OpenCV testing
5. Zoe
6. Will D - Helping Matthew with distance sensing
